# Happy Anniversary

— TO MY PARTNER IN EVERYTHING —

Ten years ago, we started this journey together—  
not knowing exactly where it would lead,  
but knowing we wanted to do it side by side.  
And what a journey it's been.

Thank you for being my teammate, my best friend,  
and my biggest supporter. Through every win and  
every challenge, you've been my constant.  
I'm so proud of what we've built together  
and even more excited for all that's still ahead.

Here's to our story, our team, our mission.  
I can't wait to keep writing the next chapters  
with you.

*I love you.*
